PROFILE

I am a motivated and detail-oriented computer science student seeking a final-year internship (PFE) in web or software development. I am eager to apply my academic knowledge to a real-world project and further develop my professional skills. I am adaptable, a fast learner, and committed to delivering quality work

PROFESSIONAL EXPERIENCE

Online Education Platform-Training Internship

01/2025 – 02/2025

Solid Wall Consulting

Ben Arous

Developed a full-stack web application for online learning. Users can register, log in, and browse a list of courses. The frontend was built with React to ensure a responsive and clean user interface. The backend, built with Express.js and connected to MongoDB, handles user authentication, course management, and data storage. An admin panel was implemented for managing users and courses.
